PROFILE

A passionate filmmaker with a strong interest in cinematography and video editing. Experienced in creating short films and visual narratives using limited locations and minimal setups. Skilled in storytelling and eager to learn through hands-on work in professional film and media environments.

EXPERIENCE

Lead Photographer

UU Fest

May 2025

- Successfully covered a 3-day college fest, capturing high-quality footage of cultural performances, guest interactions, student activities, and behind-the-scenes moments
- Collaborated with reporters and production team to frame and shoot compelling visual stories for university-wide broadcast.
- Ensured technical accuracy, proper lighting, and audio quality in fast-paced environments. 📹
- Assisted in post-production tasks including footage review, shot selection, and basic editing. .

Lead Cameraperson

Times Of Uttaranchal

September 2024 to June 2025

- Operate camera equipment for daily news recordings and vox pop segments conducted in the university studio and on campus grounds.
- Collaborate closely with anchors, reporters, and technical crew to produce visually engaging and professionally lit video content.
- Capture real-time student opinions (vox pops) on current events, university issues, and trending topics, ensuring proper framing, sound quality, and smooth transitions.
- Set up and maintain studio lighting, backdrops, and audio equipment for clean and consistent video output.
- Coordinate with the post-production team to review and prepare footage for broadcast and online publishing.
